

Allerthorpe Parish Council

NEWSLETTER - FEBRUARY 2016

Parish Council Meeting: The next meetings of the Parish Council will be on Monday 21st March 2016 and Monday 23rd May 2016 at 8:00pm in the Village Hall.

Members of the Public & Press are welcome at meetings of Allerthorpe Parish Council. Public Participation will commence prior to the start of the full council meeting when members of the public can raise questions or make statements to the Parish Council about any issues they may have. Because we are restricted to only 10 minutes, the public are encouraged to use this facility as an opportunity to raise issues rather than to seek resolution and in most cases the council will need to make referrals before being able to provide researched answers.

Protect your Property: Police forces throughout the country are recommending that you register valuables on the Immobilise website. It is a FREE service and a link can be found at:
www.allerthorpe-pc.org.uk/links.aspx

This crime prevention initiative means lost or stolen items can be quickly identified when they are recovered and returned to the rightful owner. It also increases the potential to catch a criminal in possession of stolen goods. Immobilise is a secure online register of valuable property; anything from mobile phones, bikes, tools, electrical and gardening equipment. It is free to register and takes just a few minutes to sign up. Ownership details can be viewed by police across the country on the National Mobile Property Register and allows police officers to check recovered items and instantly find the owner.

Damage to Grass Verges: The prolonged period of rain has again made the grass verges in the village very soft and easily damaged by cars driving on them. Please make every effort to keep cars off the grass during periods like this. Parking cars on the road is legal and also contributes greatly to traffic calming efforts in the village.

Summer Activities: We are looking for suggestions for summer holiday activities for children and young people of the Parish. Please let us have your ideas via the Parish website.

HM The Queen's 90th Birthday Celebrations: The PC is exploring a Parish event similar to that held at the jubilee. We hope to do this on the occasion of HM's Official Birthday on 11th June 2016 so please keep the date free in your diary. There is also a National Beacon Lighting ceremony being held on 21st April
