5. News and Appeals

YOUR HOME - KEEP IT SAFE, KEEP IT LOCKED

Burglary is by and large an opportunistic crime, with burglars looking for a home that gives them the easiest way of committing their crime undetected and with the fewest obstacles to negotiate. In many cases burglars do not need to use ANY force to gain entry which can be via an insecure window or door. So how can you keep your home and property safe?

Make your home looked lived-in by leaving a radio on or a light on a timer switch to make the house sound and look occupied

If you are going away remember to cancel the milk or newspapers. Don't make it obvious to burglars you are away. Don't close your curtains - in daytime this shows the house is empty. Use timer switches on lights instead and if possible ask a trusted neighbour to close your curtains in the evening, to collect your post and also ask if they would park their car on your drive whilst you are away.

Never leave your spare keys in a hiding place such as under a doormat, in a flowerpot or inside a letterbox.

Make sure you use a burglar alarm (if you have one) every time you leave the house.

Secure your garden with a fence and a lockable gate.

Don't leave tools or ladders in the garden to assist burglars and secure your wheelie bins away from your house, fences and walls.

Think about installing a movement activated floodlight as it can unnerve burglars.

Keep doors and windows locked even when at home.

Don't leave valuables on view or on window sills and keep your car keys hidden out of sight.

If your property is stolen make sure you can describe it to the Police by keeping a record and photographs of makes, models and unique serial numbers etc.
